

High School Hume 2016

The High School students had an AMAZING weekend at Hume Lake. We had thirty-three students and seven adults attend this year's trip and we had an incredible time. Below you will find a few pictures of our adventure. Thanks so much for praying, it was a life-changing weekend for all who attended.

April 2nd – Thrive Dinner Auction

In less than a month we will be having our annual dinner auction fundraiser. This is our primary fundraiser for taking in funds to help cover the costs of our transformational mission trips and retreats.

Please consider how you may help us make this year's our biggest success ever. We are in need of behind the scenes helpers, helpers for the day of the event, attenders and perhaps most importantly right now, donors (items, gift cards, services, etc.) and people to reach out to potential donors. Please contact me A.S.A.P. if you want to get involved. Thanks!

Please do not hesitate to contact me with any questions.
