TPC monthly newsletter—JULY 2022

Hello TPC Family!

The heat is on!! This is certainly an understatement as we find ourselves deeper into summer. Summer is of course a time for rest, relaxation, and a change of pace. It is also an important season in the life of the church. We have many transitions taking place in our congregation. We welcome this month with gladness our new church officers. I know all our new elders and deacons would welcome your extra prayers as they begin their ministry in July. Of course, new church officers coming in means other church officers are rotating off. We should also turn our gratitude toward those who have served our church faithfully and selflessly. Without this kind of devotion none of us would be where we are today. This month brings the excitement of VBS, children's and youth activities, summer vacations and other ministry opportunities. July is also a special month for our nation as we give thanksgiving for such the privilege as living in the best nation on the globe! We know this blessing comes from God and God alone. As I close out this article, I want to give a word of gratitude to Diane Terrell for her service to our congregation as the Children's Ministry Director. Diane will be stepping away from this role this month and we are so thankful for her love and dedication to our children. Diane and her family are such an important part of our ministry at TPC. Please make sure and tell them so!

So good luck in beating the heat! Thankfully we have the coast to run to in case we need a reprieve. I'm sure I'll see some of you there and I look forward to being the church with you!

Blessings and Peace!

Please pray for our VBS!

We're asking for prayers for good health for all involved, prayers for open hearts and deepening relationships, prayers for the truth of Jesus to be sewn in their hearts and for the music to stay in their minds for this summer and beyond.

A huge THANK YOU to everyone who has stepped up to help make this outreach happen. As always, we couldn't do it without you!

Stephen Ministry...Ready to Serve

The four new Stephen Ministers, who were welcomed into the TPC Stephen Ministry in April, are beginning to minister as they have care receivers assigned to them. As you have need for either short-term or longer care, please contact Lois Ecklund (805/461-1470), the referrals coordinator, for a confidential review of how a Stephen Minister can be of Christian support to you. Along with service to individuals, Stephen Ministers took their turn on behalf of TPC in providing the dinner to over 40 guests at the ECHO Homeless Shelter in Atascadero on June 20th. Thank you for your support of this valuable ministry at TPC.

Templeton Presbyterian Church Deacons

The Board of Deacons is pleased to have Susan Needleman and Susan Hayward join us as newly installed deacons. And, we are delighted to have deacons Betsy Beatty, Carol Bower, and Linda Hansen installed for their second terms of service to TPC. The new Board of Deacons starts their term of service as of July 1st, with regular monthly meetings on the 3rd Wednesday of each month. We are thankful for the service that Mick Lebens has provided to TPC, especially coordinating the Thanksgiving Baskets ministry, as he completed his term as deacon. Going forward, with Pastor Roger's call to Koinonia, the deacons will be transitioning their respective parishes to geographical ones as we move through the summer. We will share more about this with you as the transition continues. As you have needs for everyday help or spiritual support, please let your deacon know so that we can bring the love of Jesus to you on behalf of TPC.

Blessings,
Frank Bush, Deacon Moderator
